ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Regular Share/Savings, Member's Special/You Name It, Christmas Club, Vacation Club, and Centsible accounts, the dividend rate and annual percentage yield may change quarterly as determined by the Credit Union's Board of Directors. For Member - Managed Funds Share, Health Savings, Jump Start Savings, and Member – Managed Funds Checking accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. For Accumulation IRA and High Yield Checking accounts, the dividend rate and annual percentage yield may change monthly as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period. Member - Managed Funds Share, Member - Managed Funds Checking, and High Yield Checking accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For Member – Managed Funds

Share, and Member – Managed Funds Checking tiered accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account. For Jump Start Savings and High Yield Checking accounts once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to only that portion of the account balance within each balance range. See section 2 for more details about High Yield Checking accounts.

2. HIGH YIELD CHECKING — This account is a tiered rate account. If you meet the qualifications for this account during the monthly qualification cycle, the first dividend rate and annual percentage yield listed for this account in the Rate Schedule will apply to balances between \$500.00 and \$15,000.00 and the second dividend rate and range of annual percentage yields will apply on balances over \$15,000.00. To meet the qualifications per monthly qualification cycle, you must: 1) make 15 debit card transactions that post and settle your account; 2) have direct deposit; 3) be enrolled in and receive e-statements; and 4) be enrolled in and log into Online Banking at least one (1) time. If you do not meet all of the minimum qualification requirements during the monthly qualification cycle, the third dividend rate and annual percentage yield as listed in the Rate Schedule will apply to balances of \$500.00 or more in your account. The monthly qualification cycle is defined as the period beginning on the first day of the calendar month and

ending on the last day of the calendar month. If you close your account, dividends will be paid at the third dividend rate on balances of \$500.00 or more as stated in the Rate Schedule. There is a limit of one High Yield Checking account per tax identification number.

3. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

4. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

5. ACCRUAL OF DIVIDENDS — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account.

6. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Regular Share account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Member - Managed Funds Share,

Member – Managed Funds Checking, and High Yield Checking accounts, there is a minimum daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the period, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day.

7. ACCOUNT LIMITATIONS — For Member’s Special/You Name It, Vacation Club, Member - Managed Funds Share, Health Savings, and Centsible accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic, or Internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed. For Christmas Club accounts, the entire balance will be transferred to another account of yours on or after September 30 and the account will remain open. For Jump Start Savings accounts, this account is only available to members under the age of 18. Once you have reached the age of 18, this account will convert to a regular share account. For Accumulation IRA accounts, (other than a transfer to another Knoxville TVA Employees Credit Union IRA account) will result in a penalty equal to loss of ninety (90) days dividends prior to withdrawal unless written notice of the intent to withdraw is given to the Credit Union ninety (90) days prior to withdrawal. A notice of intent to withdraw is valid for 120 days from the date of notice. Penalty will be calculated based on the rate in effect on date of withdrawal and may result in a redemptive value less than the principal balance of the account. For Regular Share/Savings, Best Checking, Member – Managed Funds Checking, and High Yield Checking accounts, no account limitations apply.

8. FEES FOR OVERDRAWING ACCOUNTS — Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or

paying a check, draft or item. You may consult the Membership and Account Agreement and Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Schedule of Fees and Charges for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union’s overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture the member’s opt-in choice for overdraft protection and the Schedule of Fees and Charges.
